EDUCATION

Department of Computer Science and Technology | Tsinghua University 2013.9 — Now

- **Major Course:** Calculus, Linear Algebra, Discrete Mathematics, Primary Number Theory, Functions of Complex Variables, Object Oriented Program Design, Data Structure, Artificial Intelligence, Computer Graphics, Principles of Computer Composition, Software Engineering, Database, Digital Signal Processing, Computer Network Security, Human Computer Interaction, Operating System

EXPERIENCE

HTC Beijing Research Center 2015.2 — 2016.2
NUS-Tsinghua Extreme Search Centre (NExT) 2015.7 — 2015.8

PROJECTS

The platform for keyword extraction of Weibo texts 2013.12 — 2014.4
Building interior modeling device based on various sensors 2014.12 — 2015.4
A knowledge graph construction for tourist attractions 2015.1 — 2015.8
The platform for duplication check of texts based on sematic features 2015.4 — 2016.4
Joint Representation Learning of Text and Knowledge for Knowledge Graph Completion 2015.9 — 2016.9
Quantitative Study of Emoticons in Social Networks 2016.7 — 2016.9

GPA

Score 91/100, Rank 13/130.

EXTRACURRICULAR ACTIVITIES

Vice President | Class 3, Department of Computer Science and Technology, Tsinghua University 2013.7 — 2014.8
Member | Student Association for Science and Technology of Department of Computer Science and Technology, Tsinghua University 2014.7 — 2015.5
Vice President | Student Association for Science and Technology of Department of Computer Science and Technology, Tsinghua University 2015.5 — 2016.6
President | Student Association for Science and Technology of Department of Computer Science and Technology, Tsinghua University 2016.6 — Now

HONORS

- 2011 Golden medal in National Olympiad in Information, China
- 2012 Silver medal in National Olympiad in Information, China
- 2014 Scholarship of Academic Excellence in Tsinghua University, China
- 2014 Friend of Tsinghua — Changhong Scholarship
- 2015 Scholarship of Science and technology innovation Excellence in Tsinghua University
- 2015 The 33rd Challenge Cup of Tsinghua University — The First Prize
- 2015 The 33rd Challenge Cup of Tsinghua University — The EMC Special Award

SKILLS AND INTERESTS

- **Programming Skills** C/C++/Python/Matlab/R/Java/Golang;
JavaScript, Html and CSS, MongoDB, Django, Flask, NodeJS
Android, IOS;
Theano, Tensorflow
- **Language** Passed CET4/6(College English Test Band 4/6), TEPT(Tsinghua English Proficiency Test)
